School Reopens - Session 2023 - 2024

The school reopened for the New Session 2023-24 on 27th April.

Following events unfolded during the first quarter.

Good Luck Assembly, for the Board Classes

Exam time is the time of excitement, nervousness and curiosity. A "Good Luck" special assembly for the incredible students of class X was organized on 30th April. The host of the event, class IX presented the class X students with handmade Good Luck cards and pens, which were handed over by the respective subject teachers as Good Luck wishes and blessings. The Principal's words of motivation, were enough to boost the morale of class Xth students who were ready to face the board exams for the first time.

Bidding Adieu to the Class XII

A farewell party for the outgoing batch was organized in the school premises. The host of the event was Class XI and to grace the occasion, our Chairperson Mrs. Bajaj, and other members of the management, Principal, HOA and teachers were also invited.

The special guests of the day, students of Class XII were given a traditional welcome. The program was presented in a novel manner. These star students left no stone unturned in wishing the best to their seniors in the most cheerful manner.

Special dance performance by students of Class XI won everyone's heart.

The organisers signed a few words about each student and presented them with title and sashes. There were games and ramp walk for the Stalwarts of the day and the Class XII, dazzled the ramp with their walk. The day ended with the cake cutting, by the head boy and the head girl.

Mother’s Day Celebration

Fun filled Mother’s Day activities were conducted by our primary school students. Mother’s day is an occasion to express respect, honour and love towards mothers as its rightly said “Mother’s Love- a brilliant GEM to be treasured.” All children have emotions binding to their mothers. Keeping this emotion in mind, the pre-primary and primary students had a surprise planned for the mothers. Teachers made earnest efforts to instil the importance of mother’s in a child’s life through a presentation. These tiny tots made cards for their mothers and the mother’s had a whale of a time, dancing and playing games with the children. All in all a fantastic day.

Informative Walk: The Tarla Nagal Trail

To understand the natural and ecological significance of the Tarla Nagal region on the Sahastradhara road, our students joined this informative walk which was about 3.5 kms.

The students also participated in the protest, against the cutting of the trees for the construction of the Tarla Nagal City Park.
